Milwaukee's Cribs for Kids Program Gets Boost in Effort to Reduce Infant Mortality

City receives \$50,000 grant from UnitedHealthcare

Mr. Jeff Nohl presents check to Mayor Tom Barrett

At a press conference held at Northwest Health Center, the City of Milwaukee's Cribs for Kids Program received a \$50,000 grant from the UnitedHealth Foundation towards providing Safe Sleep education and portable cribs to clients. UnitedHealthcare Community Plan President Jeff Nohl presented the check to Mayor Tom Barrett.

Immediately following the press conference, PHN supervisor Jill Radowicz conducted a Safe Sleep clinic for new Milwaukee moms.
